

HSE Seminar - 2024

on

Safety - Touch & Feel of Humanity & Exhibition

Industrial Safety

Occupational Health

Environment Protection

Fire Protection

Date : 9th & 10th February - 2024

Organised By

Ankleshwar Environmental Preservation Society
(Disaster Prevention & Management Centre)

In Association With

Ankleshwar Industries Association
Directorate of Industrial Safety & Health (Govt. of Guj.)

Event Venue :

AIA AUDITORIUM - Centre for Excellence
PLOT NO. 618 - 619, GIDC ESTATE,
ANKLESHWAR (GUJARAT)

About Seminar

In this technological era, technological advancement moves very fast to INDIA as initiatives taken by Govt. Of India in the field of Industrial development. In order to sustainable development and now, we are in the corridor of the industrial manufacturing hub of the World we should, also focus on 'safety, Occupational Health, environmental protection and Accident and Fire prevention' to strengthen Eco system. Mandatory and local laws for the same are enforced by Govt. and various voluntarily agencies by monitoring industrial activities and digitalization of online data and accordingly remedial measures are suggested for the same. Artificial Intelligence and healing of safety through humanitarian touch to improve the workforce by reducing accidents and environmental protection to make the workplace much better and user-friendly This seminar will impact on growth and impression of the Nation in the world by introducing the sharing of best practices in industrial units. In this regard for a noble cause, we are organizing the industrial Safety Seminar with the theme '**Safety – Touch & Feel of Humanity**' The seminar will focus on various occupational Hazards, accident prevention strategies in terms of forensic science, in terms of Industrial Hygiene (IH) aspects and testing, Visionary planning for Industrial development by advanced technology like introducing AI, Static electrical hazards & to curb, Process Hazards & remedies.

Speakers:

Eminent and expert speakers from Govt. authorities and various well-known technological sectors. various industrial accident case studies focusing on new technological initiatives, Existing and upcoming technologies in industries to sustain parameters and requirements on "Safety, Occupational Health, Environment protection, and Accident/ Fire prevention"

Topics Highlights & Key Take Aways:

- ❖ Digital Solutions for improving Safety in Plants.
- ❖ Role of Forensic Science in terms of Industrial Accident
- ❖ Static Electricity – Advanced Technology Version, Electrical and Lightening Protection and Arc Flash protection measures
- ❖ Innovative and modern/ advanced firefighting system/ technology for industrial sector/ industries
- ❖ Occupational Exposure Banding: Health Perspective
- ❖ Emergency & Chemical Disaster Preparedness
- ❖ A Comparative Study: Various Modeling (Empirical, Integral, 3D CFD) for Accurate Consequence Analysis and Risk Management of Accidental Release of Hazardous Inventory.

Quiz Competition! In consideration of successful & Interesting safety Quiz competition (Kahoot/ google)

last year, we have planned to come up with innovative safety quiz again in the seminar

Linked well be shared on the event day

Who are the beneficiaries – Persons From:

- Plant, Process & Operations
- Project design & maintenance Engineering
- Safety & Occupational Health Function
- Environmental Protection sector
- R & D, Quality Assurance and Quality Control
- EHS & Fire Safety Consultants
- Environmental Protection sector

Delegate Registration Fees (Per Person) :

up to : 31/01/2024

DPMC & AIA Member :

Rs. 3500/- + GST @ 18%

Non Member :

Rs. 4000/- + GST @ 18%

01/02/2024 onwards

DPMC & AIA Member :

Rs. 4000/- + GST @ 18%

Non Member :

Rs. 4500/- + GST @ 18%

Spot Reg. **Rs. 4500/- + GST @ 18%**

We hereby appeal you to support this event by way of giving contribution/donation;

Platinum : ₹ 3,01,000/- and above (Complimentary 10 free Delegates in the Seminar)

Gold : ₹ 2,01,000/- (Complimentary 6 free Delegates in the Seminar)

Silver : ₹ 1,01,000/- (Complimentary 3 free Delegates in the Seminar)

The Sponsoring Organization will be benefited as under;

- Donation to AEPS is eligible for Income Tax exemption under 80 G (5) of Income Tax Act. Also, Contribution/Donation can be considered as a part of CSR activity.
- Donor Industries Name & Logo will be Displayed / Digitally in Seminar Hall, Lunch Area etc.

(Incl. Breakfast, Lunch for both days, Seminar Kit, Study Material)

Note : Spot Registration will be allowed depending on availability of seats.

Registration form can be downloaded
